Fortification for a Healthy Life

# Mind Calming

**Our Mind Calming premix is an innovative product idea for the enrichment of beverages:**

Selected vitamins and plant extracts of elderberry and balm help reduce stress and can play a role in promoting mental well-being. This premix for relaxing beverages is therefore attractive to a broad-based target group.

**Draw on our technical know-how to define your tailor-made premix.**

## Functional ingredients:

- Vitamin C
- Vitamin B1
- Niacin
- Pantothenic acid
- Vitamin B6
- Vitamin B12
- Balm extract
- Elderberry juice powder
